3.0	SCHEDULE A - ITEMS OF WORK	3-1

1.0 PREAMBLE

1.1 General

The following shall be read in conjunction with the Conditions of Contract, Employer's Requirements, Scope of Work, Specifications and drawings for Engineering, Design, Construction, Procurement, Manufacturing, Supply, Erection, Testing and Commissioning of Container terminal with container handling facilities at Port of Sittwe and IWT terminal at Paletwa in Myanmar. All Lump Sum prices and units quoted in the Schedule of Prices shall include the following instructions where applicable:

- a. This is an EPC Fixed Price Lumpsum Contract.
- b. For items of work to be executed based on the design of the Tenderer, no separate fee is payable and the same is deemed to be included in the price quoted by the Tenderer for the execution of the Works.
- c. The Schedule of Prices as quoted in Bills shall be the fixed contract price. However the Tenderer is required to furnish "Schedule A - Items of Work" also for each section of the Works, containing the components of work, their quantities and the unit rate. This schedule will be used only for the purpose of making interim payments. Interim measurements of the work will be made and the Contractor will be paid based on the actual quantities of work executed. The total of such interim payments for each Section of the Works will be limited to the lumpsum price quoted under Bills of the respective Section of the Works.
- d. It shall be clearly understood that there shall not be any claim whatsoever by the Tenderer on the ground that there are inadequate items of work (work based on quantity and work based on specified items) provided in the Schedule of Prices for pricing by the Tenderer.
- e. The whole cost of complying with the provisions of the Tender Document shall be included in the items provided in the priced Schedule of Prices and where no items are provided, the cost shall be deemed to be distributed among the rates and prices entered for the available items of work. The price quoted shall include all costs upto successful completion of Defects Liability Obligations by the Contractor.
- f. The rates and prices tendered by the Tenderer in the Schedule of Prices shall, except insofar as it is otherwise provided under the Contract, including but not limited to all Tenderer's equipment, labour, supervision, materials, plant, wastage, fuel, erection, maintenance, insurance, profit, overheads, together with all general risks, liabilities and obligations set out or implied in the Tender Document including all taxes, duties, GST, custom clearance, fees, royalty and other statutory deductions.

- g. General requirements, directions and descriptions of work and materials, given in the Specifications or Drawings or Conditions of Tender / Contract are not necessarily repeated nor summarised in the Schedule of Prices. Tenderer is specifically advised to check and include any other item required for completeness of the total work as per the scope of work and specification and satisfactory performance of the total system.

1.2 Currency

All monetary reference in the Price Schedule shall be made only in Indian Rupees.
