Official Spokesperson's response to media queries regarding situation on Armenia-Azerbaijan border

July 17, 2020

The Official Spokesperson’s response to media queries regarding the situation on Armenia-Azerbaijan border.

The situation on Armenia-Azerbaijan border is complex and evolving. The parties are engaged in a process to resolve the differences.

On July 12-13, there were reports of clashes on the Armenia-Azerbaijan border. The situation escalated significantly, with reports of heavy casualties. The authorities are investigating the reports and taking necessary action.

The situation remains tense and efforts are being made to de-escalate. The OSCE is continuously monitoring the situation and assisting in efforts to maintain peace.
