Subject of the matter: Appreciation

The above-mentioned School complex with the Municipal Directorate of Education of Saurimo welcomes the attitudal coming from the Indian Embassy in collaboration with the NOBLE Group SA Company, by offering us the manuals that speak on the character and personality of the Father of the Indian Nation, Mahatma Gandhi. We believe that this support will contribute to cultural, political and historical enrichment, not only for the youngest generation but also for all those who love reading.

It says a Chokwe proverb “Koolekawendo, kulenerenkyunungulisa” which means - the sights and greetings strengthen the friendship.

We avail of this opportunity to make a request on behalf of the School, if possible, to support us with at least 3 portable computers to facilitate our school work.

Thwasaaku - Thank you so much.

Kind greetings

Assunto: Agradecimento

O complexo escolar acaba de ter um apoio dirigido à direção Municipal de educação de Saurimo, conquanto esteja por parte da Embaixada Índia em colaboração com a empresa NOBLE Group SA. Ao oferecer-nos esses manuais que falam do caráter e personalidade do pai da nação Índia Mahatma Gandhi, acreditamos que com este apoio contribui para o enriquecimento cultural, político e histórico da nação para os jovens mais jovens, para todos os amantes do livro.

Num presente, o Chokwe "Koolekawendo, kulenerenkyunungulisa", que diz: "as visões e cumprimentos fortalecem a amizade".

Demonstramos o nosso espírito de sinceridade e apoio à nossa população, que se colocam dentro da nossa possibilidade, e esperamos que alguns ministros internacionais (como o meu país) sejam interlocutores para facilitar o nosso desvio escolar.
