

TAPI Technical Working Group & Steering Committee Meeting 6-8 July

The 26th Technical Working Group of TAPI (Turkmenistan-Afghanistan-Pakistan-India gas pipeline project) was held in Ashgabat from 6-7 July 2014 followed by the Steering Committee Meeting (SCM) on 8 July. Shri Saurabh Chandra, Secretary, MoPNG led the Indian delegation to the SCM. The agenda covered issues, such as, defining of the roadmap, creation of the company TAPI Ltd., choice of Consortium Leader, transit of gas and other related issues. The Technical Project Agreement and Sale Agreements also were reviewed. The Pakistani delegation was led by their Petroleum Minister and Turkmen side was led by their Deputy Prime Minister in-charge of Petroleum and Gas. At the end of the meetings, an Operations Agreement was signed.
