The other ongoing LoC projects are:

(i) East Bank-East Coast Road Linkage Project: LoC of US\$50 million was extended on 16 March 2016 for the East Bank-East Coast linkage road construction project. RITES was appointed as the DPR Consultant on 4 January 2018, they submitted DPR in December 2019 and bidding documents on 15-1-2020. This project with LoC of US\$50 million has been revised by the Government of Guyana (GoG) based on feasibility study report submitted by the PMC, M/s RITES Ltd. and cost estimated at an amount of US\$ 208 million. According to RITES, they changed the scope and plan of the project based on the instructions and requirement of GoG. The matter remained pending for some time till the new Government took over in Guyana in August 2020. MEA agreed to GoG's proposal to construct the road in two phases with Phase-I starting with already approved LoC of US\$ 50 million. EXIM Bank of India pre-qualified 4 Indian companies and the bidding process has started in June 2021 with last date for submission of bid as 3 August 2021. Pre-bid meeting held on 5 July 2021 which was attended by all 4 Indian companies. However, none of the companies submitted bids. EXIM Bank in consultation with GoG launched the re-bid process and received bids from three Indian companies. After evaluating the bids, GoG has recommended on 12 January 2022 to award the contract to the lowest responsive bidder, M/s Ashoka Buildcon Limited at a value of US\$ 109 million. GoG is bearing the difference in the cost offered by the elected bidder. The project is progressing smoothly and is expected to complete on schedule.

(ii) Acquisition of Ocean Ferry Vessel: GoI offered an LoC of US\$10 million and a Grant of US\$ 8 million to GoG on 17 June 2016 for procuring an Ocean going Ferry from India. The project remained pending for execution as the Government of Guyana awarded the contract to L2 company and L1 company, Garden Reach Shipbuilders & Engineers Ltd (GRSEL) raised objection. After the new Government took over in Guyana in August 2020 the matter has got sorted out. The agreement for supplying an Ocean-Going Passenger and Cargo ferry vessel from India to Guyana in 18 months has been signed on 13-1-2021 between Garden Reach Shipbuilders & Engineers Ltd. (GRSE) of India and the Ministry of Public Works of Guyana at a total cost of US\$ 12,733,403. EAM along with President

Dr. Ali inaugurated the Ocean-going Passenger-cum-Cargo Ferry, MV Ma Lisha on 23 April 2023 in Georgetown.

(iii) Acquisition of Fixed and Mobile Pumps and Associated Structures and Spares: LoC of US\$ 4 million was extended in February 2017 for procurement and installation of high-capacity irrigation/drainage pumps for agricultural purposes and mitigation of flooding in Georgetown and its environs. The contract was awarded to M/s Apollo International Limited, Gurgaon on 6 August 2018 for US\$ 3,602,014 for supply of 9 fixed and 3 mobile drainage pumps over a period of 12 months. M/s Apollo International Limited has already supplied and installed the pumps in various parts of Guyana.

(iv) Up-gradation of three Primary Health Centres: LoC of US\$ 17.5 million was extended on 19 July 2017 for up-gradation of three Regional Hospitals at the West Demerara, Suddie and Bartica in Guyana. M/s Enarch Consultants Pvt. Ltd. of India has been appointed in June 2021 as the Project Management Consultant (PMC) to undertake consultancy services for the design and supervision of civil works and submission of DPR for upgrading three regional hospitals in Guyana at a cost of US\$ 2.11 million. M/s Enarch and the Ministry of Health of Guyana signed the contract on 3 June 2021 and M/s Enarch submitted the Feasibility Report (DPR). The Government of Guyana informed their policy decision to change the scope of work restricting it to one hospital at Bartica instead of three. The revised scope of work has been approved by Government of India and conveyed to the Government of Guyana.

(v) Procuring and Installing Solar Home Lighting System for 30,000 homes in the Hinterland Communities in Guyana under LoC US\$ 10 million. LoC of US\$ 7.29 million to the Government of Guyana for "Procuring and Installing Solar Home Lighting System for 30,000 homes in the Hinterland Communities" has been approved on 1-6-2021. Rajasthan Electronics & Instruments Limited has been recommended by Guyana for award of US\$ 8.387 million contract for the project. The Contract sent by the Guyanese side for approval of EXIM Bank in November 2022 has been signed. First lot of supplies is expected in April 2023 and by end-December 2023, all parts will be in Guyana for installation. TERI is helping Government of Guyana to coordination installation. Out of the balance of the LoC amount, i.e. US\$ 2.71 million, a separate proposal for acquisition and installation of a Solar Photovoltaic Power Plant at Cheddi Jagan International Airport in Georgetown at a cost of US\$ 2.5 million was received and has been approved by MEA for which Government of Guyana is being informed formally at Ministerial level.

(vi) Kalpataru Projects International Limited (KPIL) was awarded US\$ 159.99 mn contract on 19 July 2023 for providing EPC services for Transmission Lines and Substations for Guyana Integrated NGL Plant and 300 MW CCGT Power Plant. Guyana is seeking financial support from India for this project.

October 2023
