

Brief on India-Angola Relations

Political relations

Relations between India and Angola, one of the major oil producers in Africa, are underpinned by a vibrant energy partnership and date back to pre-independence era of Angola. In an act of solidarity, India supported Angolan freedom struggle against the Portuguese colonial rule till the country attained independence in 1975. Since then, Indian governments have been maintaining robust ties with the political leadership in Angola India established formal diplomatic relations with Angola in 1985 with the first Indian Ambassador arriving in Luanda in November 1986.

Angola and India cooperate in various multilateral forums and have been supportive of each other's candidatures.
