Year	Exports to Niger	Imports from Niger	Total trade	Balance of trade

2019-20	73.60	0.90	74.50	72.27
2020-21	87.03	4.12	91.15	82.91
2021-22	91.62	15.99	107.61	75.63
2022-23	83.83	119.50	203.33	35.67
2023-24	47.22	139.27	186.49	92.05
2024-25	32.92	72.68	105.60	39.76
2025- Jan. 26	76.53	10.87	87.30	65.66

Source: Ministry of Commerce and Industry, Government of India

The main items being exported from India to Niger include Rice, pharmaceutical products, cotton fabrics, woven synthetic fabrics, sugar confectionery and processed food & cereals, engineering goods, electrical appliances, construction material, tea, Cereals, articles of Iron or Steel, etc. The main items being exported from Niger to India are Lac, Gum Arabic, Resins, Seeds and fruit, sesame, semi-precious stones, hide/skin of goats etc. Niger is the 4th largest producer of Uranium in the world. Niger has reserves of other minerals also viz. petroleum, gold, lithium, coal etc. There has been no engagement with Niger on these issues so far.

Development Partnership

In order to strengthen bilateral trade and cooperation, India has been extending Grants and Lines of Credit (LoC) to Niger from time to time. Following is a brief account of the same:

Grants:

- A grant of US\$ 35.484 million was extended to Niger for construction of Mahatma Gandhi International Convention Centre (MGICC) in September 2018.
- Govt extended grant assistance of US\$ 15 million to the Government of Niger for defraying part of the expenses towards hosting of the AU Summit in July 2019 in Niamey.
- India has also provided humanitarian assistance, medicines, vaccines and grants for computers and equipment purchases to Niger.

LOCs bilateral

- US\$ 17 million in 2006 for procurement of buses, trucks, tractors, flour mills, motor pumps, etc.
- US\$ 20 million in 2008 for (a) rehabilitation of 6 power stations; (b) purchase of 3 power transformers; (c) rehabilitation and erection of transmission lines.
- US\$ 34.54 million in 2013 for solar electrification of 90 villages (50+40) and 7MWp Solar photovoltaic power station at Malbaza.
- US\$ 25 million in 2014 for supply of Potable Water for Semi-Urban and Rural Communities through 500 borewells.

LOCs through ECOWAS

Projects totalling US\$ 131.50 million have been approved for Niger from the LoCs extended to ECOWAS Bank for Investment & Development (EBID). (Niger has withdrawn from ECOWAS subsequent to coup of July 2023). These are as follows:

- US\$ 10 million for electrification of 50 villages through Solar Photovoltaic Systems in the regions of Dosso, Tillabery and Tahoua.
- US\$ 39.70 million for Solar electrification of 250 rural communities.

- US\$ 56.70 million for upgrading and extension of Potable Water Supply Networks in cities of Maradi, Dosso and Diffa.
- US\$ 10.50 million for Electrification of resettlement sites under the Resettlement Action Plan of the Kandadji Dam and upgrading of the Power Distribution Network Project in the dam area.
- US\$ 14.60 million for Agriculture & Irrigation Project for the Resettlement Sites of the Kandadji Dam's Resettlement.

India has also been providing assistance to Niger in capacity building. Following are details of assistance provided to Niger:

- In 2006 Indian experts visited Niger to ascertain the requirement for computerization of Niger's (a) Ministries of Foreign Affairs, (b) Mines & Energy; and (c) Dry-land Agricultural Research. Technical assistance was provided to Niger in ICT and agriculture sectors.
- In 2011 a cash grant of Euro 86,452 was provided for purchase of two Television Cameras for the National Television of Niger.
- In 2012 Gol supplied 100 Computers and 100 Printers (worth Rs. 67 lakhs) to Niger Ministry of Foreign Affairs.
- In 2015 India gifted 10 Laptops (worth Rs. 12,98,120) to the Office of the Director General, Radio Broadcasting and Television of Niger (ONEP).
- The Pan African e-Network Project Phase-1 (PAeNP), funded by India, was successfully completed by Telecommunications Consultants India Limited (TCIL) in September 2017 in Niamey. For the execution of Phase-II, which is called e-VidyaBharthi and e-AarogyaBharthi (e-VAB), in Niamey, the Niger Government has identified 2 Universities in Niamey and Maradi, and forwarded concurrence to the proposed text of MoU. They have sought few clarifications and response on them is awaited from MEA. Niger has also expressed its interest in the Digital India Programs in the context of its own Programs for Smart Villages and development of a Technology City for possible cooperation with India.

India offers training to Niger in the areas of human resource development under ITEC Program and also under the decisions taken at the Indian Africa Forum Summits (IAFS). Following is a brief account of slots allocated to Niger under different Programs:

- ITEC: Niger has been allotted 156 of ITEC slots. More than 1300 Nigerien officials have been imparted trainings.
- Defence cooperation: Nigerien defence personnels have been participating defence training programs since 2018. For the year 2025-26, 25 slots have been allotted to Nigerien defence personnel.
- 40 Nigerien civil servants have also attended various training courses in India under the India-Africa Forum Summit program.
- Niger students are granted 5 scholarships under ICCR Programme. For the academic year 2026-27, 10 scholarships are granted to Niger.
- Two Nigerien diplomats attended 1st Special course for diplomats from Central and West African Countries from 16-25 July 2025 at SSIFS, New Delhi. One more Niger diplomat has been attending 4th Global South Young Diplomats Forum (GSYDF) 16-27 February 2026.

Humanitarian assistance

- In 2005 India provided a relief package of basic medicines to Niger as humanitarian assistance for the food crisis.
- In 2010 a cash grant of US\$ 1,00,000 was provided to Niger to help it tide over the on-going food crisis.
- Life-saving medicines to support the management of COVID-19 pandemic in Niger and other essential medicines worth US\$ 40000 were donated to Niger as humanitarian relief.

Under the Vaccine Maitri initiative, 25000 doses of Covishield were donated to Niger in March 2021.

Cultural Relations

- Nigerien cultural troupe and artisans have been participating in the annual Surajkund International Crafts Mela since 2019 held at Faridabad, Haryana and 17 artisans and artists attended the last one in February 2026.
- As a part of 150th Birth Anniversary celebrations of Mahatma Gandhi, the Niger Post released two commemorative Postage Stamps on Mahatma Gandhi.
- ICCR has allotted 10 Scholarships to Niger.
- The International Day of Yoga is organized every year. The 11th International Day of Yoga was celebrated on 21 June 2025 in Mahatma Gandhi International Convention Centre in Niamey.
- Three students from Niger have been selected for learning Hindi for 2025-26 at Kendriya Hindi Sansthaan Agra.
- First time an 8-member cultural troupe sponsored by ICCR visited and performed in Niger from 28 Jan. – 02 Feb., 2026

Indian Community

There are about 250 Indian nationals residing in Niger. While a number of Indian community members are traders or have retail grocery outlets, including restaurants, some members run major business operations.

Security related specific cases involving Indian nationals: Security situation in Niger is rather volatile.

As of 09 April 2026
