

**HIGH COMMISSION OF INDIA
DAR ES SALAAM**

INDIA-TANZANIA BILATERAL RELATIONS

- Tanzania and India have enjoyed traditionally close, friendly and co-operative relations. From the 1960s to the 1980s, the political relationship involved shared commitments to anti-colonialism, non-alignment as well as South-South Cooperation and close cooperation in international fora. The then President of Tanzania (Mwalimu) Dr. Julius Nyerere was held in high esteem in India; he was conferred the Jawaharlal Nehru Award for International Understanding for 1974, and the International Gandhi Peace Prize for 1995.
- In the post-Cold War period, India and Tanzania both initiated economic reform programmes around the same time alongside developing external relations aimed at broader international political and economic relations, developing international business linkages and inward foreign investment.
- In recent years, India-Tanzania ties have evolved into a modern and pragmatic relationship with sound political understanding, diversified economic engagement, people to people contacts in the field of education & healthcare, and development partnership in capacity building training, concessional credit lines and grant projects. The High Commission of India in Dar es Salaam has been operating since November 19, 1961 and the Consulate General of India in Zanzibar was set up on October 23, 1974.
- Bilateral relations has been elevated to Strategic Partnership during the State Visit of President of Tanzania Dr. Samia Suluhu Hassan to India (8-11 October 2023).

Political Relations:

Periodic high-level visits between the two countries have been an important feature of sound political ties, understanding and appreciation over the last fifty years.
