MESSAGE FROM CHAIRPERSON, IDF-OI

"I am pleased to inform that many Overseas Indians are now connected with IDF-OI and have begun to contribute."

India Development Foundation of Overseas Indians (IDF-OI) was set up in 2008 by the Government of India as a platform to facilitate contributions by Overseas Indians to social and development projects in India.

Acknowledging the renewed interest of the Diaspora to become active participants in India's development and its social programmes, IDF-OI's mandate was revised by its Board of Trustees in May 2015, to promote flagship programmes of the Government of India - Swachh Bharat Mission and Namami Gange.

Recognizing the emotional connect of Overseas Indians to their place of origin, IDF-OI has partnered with the State Governments to select projects identified by them, for contributions by Overseas Indians in sectors such as education, sanitation, health-care, women's empowerment, and sustainable livelihood.

IDF-OI has obtained an exemption from the provisions of Government of India's Foreign Contribution Regulation Act, 2010, which enables it to receive foreign contributions. Since IDF-OI does not charge/deduct any administrative charges from the contributions it receives from Overseas Indians the entire amount

received from an Overseas Indian is utilized for project implementation.

IDF-OI has put in place a robust mechanism for quality control and sending regular project implementation reports to contributors. Accountability, transparency, regular reporting and feedback mechanisms are important aspects of its functioning. To enable regular and recurring contributions from Overseas Indians, Online Payment Gateway has been integrated recently on IDF-OI's website.

IDF-OI visited UAE in October 2015 with the active support of its Board members and in close coordination with the Indian Mission in UAE, to inform Overseas Indians about its activities and invited them to be associated with IDF-OI. I am pleased to inform that many Overseas Indians are now connected with IDF-OI and have begun to contribute. Contributions received by IDF-OI in 2015-16 are being utilized for Swachh Bharat Mission projects in Sikkim, Amritsar, Vijaywada, and Tirupati; and the Namami Gange programme.

The Annual Report showcases the progress made by IDF-OI in the last one year to effectively engage with and invite Overseas Indians to contribute to India's social and developmental efforts.

Smt. Sushma Swaraj
Hon'ble External Affairs Minister
& Chairperson, IDF-OI

ABOUT IDF-OI

India Development Foundation of Overseas Indians (IDF-OI) was set up by the Government of India with approval of the Cabinet in 2008 as a not-for-profit Trust to facilitate Overseas Indian philanthropy into social and development projects in India. The Trust is exempt from provisions of the Foreign Contributions Regulation Act (FCRA), 2010 of the Ministry of Home Affairs which enables IDF-OI to receive foreign contributions.

IDF-OI is administered by a Board of Trustees, chaired by Smt. Sushma Swaraj, Hon'ble Minister of External Affairs. The Board comprises of 13 other Trustees nominated by the Government of India as set out below:

1. Four Trustees from amongst Eminent Overseas Indians who are active in the field of diaspora philanthropy.
2. Four Trustees from amongst eminent resident Indians who are active in the field of philanthropy in India.
3. Four Trustees representing Ministries of the Government of India, from Home Affairs, External Affairs, Finance and NITI Aayog, in their exofficio capacity.
4. Chief Executive Officer, IDF-OI who is also the Member Secretary

IDF-OI receives a Grant-in-Aid from the Government of India which is utilized towards operational expenses (including salaries of IDF-OI's personnel) of the Trust, its activities, and outreach programmes. Therefore, IDF-OI does not deduct any operational or administrative charges from the donations it receives from Overseas Indians.

"Although, the Indian Diaspora is a very heterogeneous group, there is a common factor which binds them- their desire to maintain their connection with their homeland and to contribute to the social and development efforts in India. We are seeking to strengthen and deepen our relationship through IDF-OI."

Smt. Sushma Swaraj
Chairperson, IDF-OI

IDF-OI Fourth Board Meeting 23 May 2015

5th Board Meeting, 05 December 2015

IDF-OI Fifth Board Meeting 05 December 2015

The Fifth Meeting of the Board of Trustees of IDF-OI was chaired by the Hon'ble Minister, Smt. Sushma Swaraj on 05 December 2015 in New Delhi, in her capacity as Chairperson. The Board reviewed the progress made by IDF-OI on the revised mandate for promoting Government of India's flagship programmes- Swachh Bharat Mission and Namami Gange; and projects identified by State Governments.

HOW WE WORK

IDF-OI is channelizing philanthropy and contributions of the Overseas Indian community into Government of India's flagship programmes: Namami Gange and Swachh Bharat Mission; and key sectors of Healthcare, Education, Women's Empowerment, Sustainable Livelihood, and Sanitation. State Governments are invited to submit projects pertaining to these sectors to IDF-OI. Selection of projects is done on basis of sector, targeted beneficiaries, budget outlay, implementing agency, project location etc.

Once a project is selected, they are posted on IDF-OI website <https://idfoi.nic.in>;

showcased through social media platforms such as Facebook and Twitter; through Indian Missions/Consulates, and Indian Associations abroad.

After a project is funded by an Overseas Indian, an agreement is signed by IDF-OI with the State Government/Project implementing agency subsequent to which, funds are transferred to the project implementation agency. IDF-OI promotes accountability and transparency in Diaspora philanthropy via effective monitoring and reporting mechanisms. It regularly monitors these projects and ensures timely reporting to donors about project progress.

Our Work Process

MONITORING MECHANISM

During and after project implementation, the contributor will receive quarterly reports from project implementing agency regarding progress of the project; the impact made by the project; and feedback about actual site/beneficiaries along with photographs/videos. They will also receive quarterly accounts of actual Project expenditures from implementing agencies to ensure that the schedule of Project goals, the actual costs as compared with the original budget estimates, and IDF-OI Grant conditions are being met.

The implementing agency will give timely feedback to donors. The project implementation reports will also be posted on the IDF-OI portal. Along with the impact or intervention made by the project, these reports will have the contacts of the State Government or the implementing agency should the donor wish to contact them directly.

PROJECTS OFFERED BY IDF-OI

IDF-OI has partnered with the Government of India's flagship initiatives Swachh Bharat Mission and Namami Gange.

Government of India Flagship Programmes

To accelerate the efforts to achieve universal sanitation coverage and to put an end to open defecation by 2nd October, 2019 and focus on sanitation, the Prime Minister of India launched the Swachh Bharat Mission on 2nd October, 2014. IDF-OI is offering projects related to construction of community toilets and solid waste management in Rajasthan, Jammu and Kashmir, Chhattisgarh, Andhra Pradesh, Karnataka, Maharashtra, Mizoram, Odisha, Punjab, Sikkim, Uttarakhand, and West Bengal.

National Mission for Clean Ganga aims to rejuvenate the river Ganga with a changed and comprehensive approach to address the challenges posed to Ganga through four different sectors, namely, of wastewater management, solid waste management, industrial pollution, and river front development.

Swachh Bharat Mission and Namami Gange have struck a deep emotional chord among the Indian Diaspora who have shown keen interest in being associated with these programmes through philanthropic contributions.

Recognizing the emotional connect of Overseas Indians with their place of origin in India, IDF-OI has also partnered with State Governments to offer projects identified by them for contribution by Overseas Indians. 17 States are now working with IDF-OI and are keen to seek assistance of Overseas Indians for projects in areas like Women's Empowerment & Child Welfare, Sustainable Livelihood, Education, Sanitation, and Healthcare. Projects are available for funding in Bihar, Chhattisgarh, Jharkhand, Jammu and Kashmir, Mizoram, Punjab, Rajasthan, Sikkim, Uttarakhand, Tripura, Tamil Nadu, Madhya Pradesh, Odisha, West Bengal, Karnataka, Andhra Pradesh, and Maharashtra.

The List of Projects is available in Annexure I.

Overseas Indians can contribute as an individual, or a group of individuals or even through their respective Indian Associations to IDF-OI's account:

RECENT CONTRIBUTIONS THROUGH IDF-OI

The flagship programmes of the Government of India, Swachh Bharat Mission and Namami Gange have received an enthusiastic response from Overseas Indians who contributed Rs 98 Lakhs to these projects in 2015-16. IDF-OI Champions include U.A.E based NRI, Mr. Yusuff Ali M.A. who has contributed a generous amount of Rs. 72 Lakhs for Swachh Bharat Mission. Hong Kong based Mr. Ramakant Agrawal and Singapore based Mr. Shashi Raghunandan have contributed Rs. 25 Lakhs and Rs One Lakh for Namami Gange respectively.

"I think setting up of IDF-OI is one of the best initiatives of the Government. In my view, it is serving the dual purpose of tapping the much needed funds for our community development & connecting the large Indian Diaspora with the nation building process. This surely makes us all feel very proud of India & its future."

-Shri Yusuff Ali M.A
UAE

Shri Yusuff Ali's contributions are being utilized for construction of One Community Sanitary Complex in Sikkim, a Public Toilet in Amritsar, Punjab, and Construction of Community Toilets in Vijayawada and Tirupati in Andhra Pradesh.

India's Hon'ble Prime Minister Shri Narendra Modi, perceived as the modern Bhagirath has thrust upon himself an equally path-breaking effort to clean the waters of the holy river and restore its hygienic significance, more appropriately "NAV-AVATARAN OF MAA GANGA". His vision and the scale of the entire project has captivated the imagination of not only the global Indian diaspora but an entire human generation and for generations to come.

We support Shri Narendra Modi ji's Namami Gange mission with "Tan Mann Dhan"

PROJECTS FUNDED BY IDF-OI

From 2011 – 2014, IDF-OI facilitated contributions from Overseas Indians for social and development projects in states like Assam, Rajasthan and Gujarat. IDF-OI received Rs. 36 Lakhs for projects in water conservation, rainwater harvesting, educating and mainstreaming differently abled children, women’s education and sustainable livelihood.

Computer Lab and Chemistry Lab set up in Shri Swaminarayan High School, in Shakarpur Village, Gujarat

NRI supported administrative costs of Mrs. Helena Kaushik Women’s College in his native village, Malisar in Rajasthan

Rainwater harvesting system specifically developed in Raila Village in Rajasthan to assist villages that have insufficient access to clean water.

ENGAGING WITH THE DIASPORA

IDF-OI held outreach programmes in UAE on 15 - 16 October 2015, in coordination with Embassy of India, in Abu Dhabi, Consulate General of India, Dubai and the Indian Association. Presentations were made about IDF-OI to Indian Associations in Abu Dhabi, Sharjah and Dubai informing them about IDF-OI projects, modalities of monitoring projects, reporting mechanisms and feedback to donors, inviting them to engage in philanthropy with social and development projects in India.

ENGAGING DIASPORA THROUGH ONLINE CHANNELS

To connect with the Indian Diaspora globally, especially young Overseas Indians, IDF-OI started outreach through Twitter and Facebook in 2016 and 2015 respectively. The Facebook identity for IDF-OI is www.facebook.com/idfoi and Twitter handle is @GivingtoIndia. The Social media provides a great opportunity to inform a larger group of Overseas Indians about the organization's activities and the impact. IDF-OI's social media presence has helped to spread the word about the organization and connect with the Overseas Indian community online. Updates are regularly posted about projects available for funding, best practices in Indian Diaspora philanthropy and other outreach activities.

PRAVASI BHARATIYA DIVAS 2016

'India Development Foundation of Overseas Indians: Diaspora Contributing to India's Social and Development Efforts'

Participants with Hon'ble External Affairs Minister, Smt. Sushma Swaraj and Minister of State for External Affairs, Gen. V.K. Singh (retd.) at Pravasi Bharatiya Divas 2016, Panel Discussion-I in New Delhi, 27 February 2016

Following a revision in format of Pravasi Bharatiya Divas on 09 January 2016, the first Panel Discussion of Pravasi Bharatiya Divas 2016 was held on 27 February 2016 in New Delhi chaired by Hon'ble External Affairs Minister, Smt. Sushma Swaraj. The Panel discussed the subject - 'India Development Foundation of Overseas Indians: Diaspora Contributing to India's Social and Development Efforts'.

The Panel deliberated on how IDF-OI contribute to India's social and development efforts. Participants acknowledged IDF-OI's outreach to States in putting together several projects for funding by Overseas Indians. They gave valuable inputs and suggestions about how IDF-OI can strengthen and underscore its presence among Overseas Indians. The Panel highlighted the need for credibility i.e. accountability, efficiency, and transparency to make IDF-OI a 'one stop shop for philanthropy in India'.
